Tucson Police Department Hosts Child Safety Seat Certification Training

Tuesday, May 28, 2013 to Friday, May 31, 2013

The Tucson Police Department will be hosting a 4-day child safety seat certification class on May 28-31, 2013 at the West Side Police Service Center located at 1310 W. Miracle Mile. Training is available to the public. The class is open to 20 students with a registration fee of \$75. To register for the class or to get more information about child passenger safety, go to <http://cert.safekids.org/>

The National Child Passenger Safety Certification Training Program certifies individuals as child passenger safety technicians and instructors. Tens of thousands of individuals have been certified since the program began in 1997. CPS technicians and instructors put their knowledge to work through a variety of activities, including child safety seat checks where parents and caregivers receive education and hands-on assistance with the proper use of child restraint systems and safety belts. Registration for this class is done on-line. Students from various law enforcement agencies as well as fire departments and local area hospitals have attended and successfully completed this important training

For more information regarding this training, please contact Sgt. Mary Kay Slyter at 837-7250.
